

## **Leroy Track Meet Info**

### **April 23, 2019**

**Time:** The meet is scheduled to begin at 4:00 so we need to leave as soon as possible after school. It should last only about 2 1/2 hours, which is a lot different than the Saturday meets. It involves 6 schools (Leroy, Ridgeview, Fisher, Corpus Christi, Deland-Weldon and us) so it moves along fairly quickly.

**Directions:** Take I-74 to the Leroy exit. As you get into town, turn right (south, east) on highway 150. As you get to the edge of town you will see a parking lot on the right. The track is behind the parking lot and the fenced parking area is for the school buses. Be aware that the school is not by the track.

**Parking:** You can park in the lot right as you pull in or at the end of the track. ***Don't go into the bus lot which has a fence around it.***

**Schedule:** The meet will follow the IESA schedule of events which has the hurdle races first. Then the girls run while the boys do field events. After they both are finished, they switch to boys running, girls field. The entries are listed in the order they take place.

**Concessions:** There will be concessions at the meet, but mostly candy and drinks. Usually they don't have hot food.

**Cancellation notice:** The forecast is good for the next two days so I don't expect any problems. If it is cancelled for some reason, I will put the info on the Athletic bulletin board (fastdirect) and send you an email as soon as I find out.

**Entries:** This is a varsity meet and the 6th graders are entered, however they are leaving for Camp Cilca the next day. If any 6th grader would rather not attend, it is not a problem, just let me know. Also some 5th grade girls are entered because they have run times or are close to running times that qualify for the Lutheran State meet. They are being given another opportunity to meet the qualifying time if they choose to do so. Again, let me know if they will not be able to attend.
